Slideshow: BullsEye Bar at Black Angus Photos

On September 8, 2011, the **BullsEye Bar** was a positively buzzing with guests watching the Saints vs. Packers game and partaking in the game time food and drink specials. The concept is a casual sport bar, bringing back memories of the sports bar days in the mid-1990s. You'll have a great view from anywhere in the bar of any of the 10 Hi-Def flat screen TVs that line its walls. The Saints vs. Packers game was on and the folks were cheering away as their favorite teams scored touchdowns. There is free wi-fi in the bar too. This is the 29th and final **BullsEye Bar** that has been retrofitted into existing Black Angus locations. The first opened September 2009 in **Black Angus** Burbank. The bar has its own special menu, but you are free to order from the full **Black Angus** menu if you wish. The Bud girls were handing out Bud Light beaded necklaces, giving the bar a "Mardi Gras" atmosphere. Go Saints! AM 570 KLAC with host, Vic "The Brick" Jacobs, was giving away prizes ranging from LA County Fair tickets to Dodger game tickets. **Black Angus** CEO, Merry Taylor, and General Manager, Mike Tefft, were also on hand for the festivities.

Let's grind on some sports bar grub! **Chipotle Buffalo Wings** are tossed with a unique blend of chipotle chili and BBQ seasoning, cooked crisp, tossed with buffalo sauce, and served with celery sticks and bleu cheese dip. Great wings! They weren't super saucy and messy like wings tend to be served. The skin was crispy and quite tasty. The chipotle added a little heat and great smoky flavor. The bleu cheese dip was cool and creamy. Thumbs up!

Spicy Steak Pizza is a fire-grilled crust with four cheese blend, caramelized onions, grilled strips of steak and topped with jalapeno peppers and chipotle seasoning. You can't go wrong with any of the **Black Angus** steak items. The steak was tender and juicy. The heat was just right from the jalapeno and chipotle. The crust was perfect, crispy but soft inside like good flat bread. Well executed! Thumbs up!

What a better way to balance the heat than with dessert! The **Big Mountain Chocolate Fudge Cake** is smothered with chocolate shavings and topped with Breyers vanilla ice cream and hot fudge. If you are a fan of the **Campfire Feast**, this is one of your choices for dessert. The chocolate cake is decadent and moist. The fudge sauce is da bomb! It's chocolaty, thick, and rich. Thumbs up!

If you're looking for somewhere fun to watch the game, whether it's football, baseball, basketball, or hockey, head on over to the **BullsEye Bar**. Relax and let **BullsEye Bar** do the cooking!
